## Atlanta Center for Holistic and Integrative Medicine

Trained by Dr. Andrew Weil in integrative medicine, Dr. Bhatia opened the Atlanta Center for Holistic and Integrative Medicine to help patients with their health challenges. Using a variety of alternative modalities, including acupuncture, nutrition counseling, personalized supplements, IV and IM vitamin therapy, and ayurveda, Dr. Bhatia creates individualized treatment plans. She has also launched a series of new programs including integrative cosmetics, integrative brain health, and integrative pain management to name just a few.
